

Save the date

After Le Mans (2019) and Wageningen (2022),

The 3rd Edible Soft Matter Conference, ESM 2025,

7th – 10th July 2025

Rennes - France

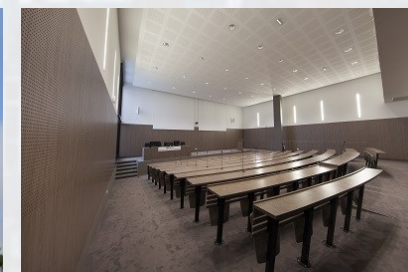

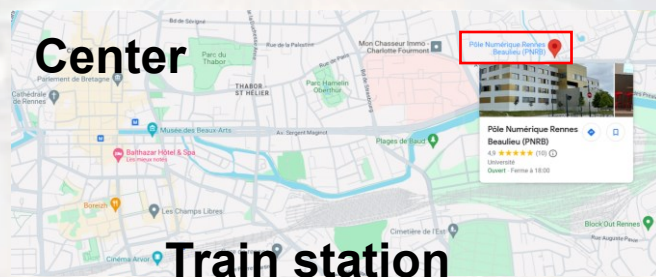

3rd edition of the Edible Soft Matter Conference

7th – 10th July 2025, Rennes - France

Where?

Rennes Beaulieu Digital Center (PNRB)
– Université de Rennes

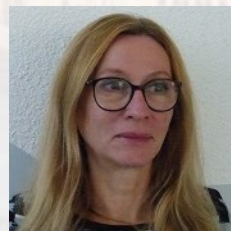

Who? Organizing committee

A. Brunel

F. Gauffre

C. Le Floch –
Fouéré

M. Musse

L. Paquin

S. Pezenec

E. Roux

A. Saint-Jalmes

V. Vié

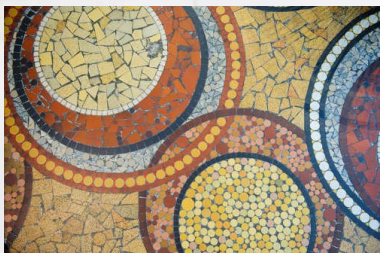

3rd edition of the Edible Soft Matter Conference

7th – 10th July 2025, Rennes - France

- Multi-scale structures: heterogeneities, multicomponent, gels, fat and oil structures, ...
- Dispersed systems: emulsions, foams, interfaces
- Phase-separation and coacervation in edible soft matter
- Processing, 3D printing, extraction
- Transformation, deformation and digestibility of soft systems
- Innovative characterization and analysis (imaging, microscopy, spectroscopy, scattering, rheology ...)
- New and sustainable ingredients
- Simulations and AI modelling

Topics:

3rd edition of the Edible Soft Matter Conference

7th – 10th July 2025, Rennes - France
