

Save the date

After Le Mans (2019) and Wageningen (2022),

The 3rd Edible Soft Matter Conference, ESM 2025,

8th – 10th July 2025

Rennes - France

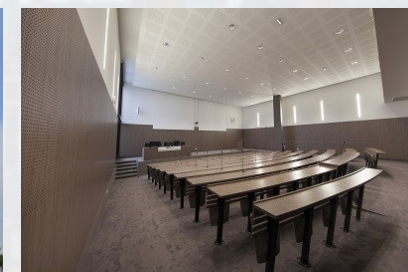

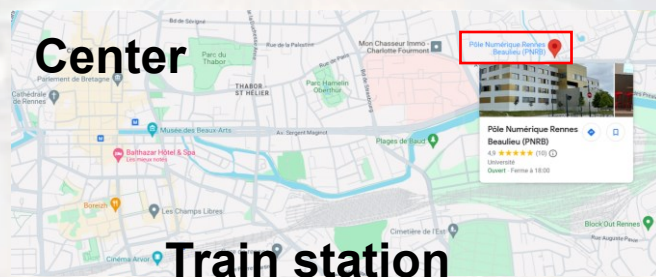

3rd edition of the Edible Soft Matter Conference

8th – 10th July 2025
Rennes - France

Where?

Rennes Beaulieu Digital Center (PNRB)
– Université de Rennes

Who? Organizing committee

A. Brunel

F. Gauffre

C. Le Floch –
Fouéré

M. Musse

L. Paquin

S. Pezenec

E. Roux

A. Saint-Jalmes

V. Vié

3rd edition of the Edible Soft Matter Conference

8th – 10th July 2025
Rennes - France

Topics:

- Processing / 3D-printing / Extraction
- Multi-scale structure- and heterogeneities / Phase separation / Dispersed systems : emulsions, foam, interfaces / Gel / Fat structures & oil / Multi component
- Oral processing and digestibility / Human perception
- Sustainable (emerging) food systems / Life cycle assessment / By-product valorisation / Animal- and plant-based proteins
- Innovative characterization and Analysis (imaging, microscopy, spectroscopy, scattering, rheology, ...)
- Fermentation / Recombinant proteins (animal free cheese) / Cellular Agriculture / Cultivated meat / Exopolysaccharides
- Data analysis and AI / Simulation and modelling
- Sociology? Dietary transition? Consumer behaviour?
